Dear [Name],

The Mustang Dream Giveaway to benefit our wounded veterans is back for 2012...and it's better than ever!

Last year one winner received the keys to the world's only matching pair of Boss 302 Mustangs...one of them signed by Parnelli Jones. So how could it get any better? Well, just take a look at these two magnificent matching Shelby GT500s!

This year's classic 1967 GT500 is a museum quality raven black icon that has been on display in the coveted Lingenfelter Collection for the past 4 years. It's finished in striking Raven Black with red LeMans striping, features a 428 ci engine with dual 4-barrels and a factory roll bar, and sports Carroll Shelby's personal autograph. It's a true head-turner!

The matching 2012 GT500 is also finished in Raven black with red LeMans striping and matching side scoops. But looks aren't everything with this car! Under the hood this awesome machine sports a supercharger upgrade provided by Ford Racing that generates an astounding, ground-pounding 750 horsepower, making it a real bona-fide supercar! A ride in this beast will definitely get your adrenaline flowing!

And because you've supported our Dream Giveaways before, we're giving you a special limited time offer.
