Direct Offer Ad #2 - Sam Zell Video

Text:

Why are billionaire investors and central banks, like The Fed, buying up all the gold they can right now? Just recently many top billionaire investors have decided to buy gold for the first time in their lives.

People like Warren Buffet and Sam Zell just to name a couple. Watch this video to learn why they're doing this (and why it matters for your retirement)...

Book Ad #1 - Top Investors Buy Gold

Text:

Billionaire investors, hedge fund managers and even central banks (like The Fed) are buying up gold right now to protect themselves from the next market crash.

However, most people don't know where to start with gold investing. But this free book shows you how. In it you'll discover:

- ✓ 3 reasons why even Warren Buffett (who downplayed gold for years), is getting in on the modern day gold rush.
- ✓ What the ever-decreasing value of the dollar means for your retirement (and what you can do about it starting today).
- ✓ How the fall of the Roman Empire was triggered by going off their "Gold Standard," leading to hyperinflation & soaring taxes.
- ✓ Why now is the perfect time to invest in gold & other precious metals to have a truly balanced portfolio.
- ✓ How \$100k worth of gold grew to \$455k in the '08 crash (and key lessons for investors who want to prepare for the next crash).
- ✓ The 3 Biggest mistakes people make when investing in gold (and how to easily avoid them so you don't get ripped off!).
- ✓ The difference between pre-1933 gold coins and all other coins (knowing this ONE fact will help you make the right gold choice).
- ✓ How To Avoid Giving Your Private Information To An Ex-Convict and Being Ripped Off By Large Retail Shops.
- ✓ And much more!!

Book Ad #2 - Market Crash Story

Text:

Did you know if you had \$100k worth of gold that it would've grown to \$455k after the '08 crash? That's why top investors like Ray Dalio say, "I believe that it would be both risk-reducing and return-enhancing to consider adding gold to one's portfolio."

But the problem is the average investor is not a billionaire hedge fund manager like Dalio... so they don't know where to start when it comes to investing in gold. Which is why we wrote:

Gold & Silver Investing:
The Ultimate Beginner's Guide

This short guide will show you the ins and outs of gold investing.

And it's a "must read" for anyone concerned about losing a big chunk of their nest egg in the next crash. It may only take you 20 minutes to read it but it could save you hundreds of thousands of dollars...

Don't wait until it's too late to pick this up!
